

## **FAST ČR, a.s.: Official Statement**

The company FAST ČR, a.s., hereby assures its business partners as well as end-users that all its products marketed within the European Union (hereinafter referred to as “the EU”) conform to the technical requirements stipulated by Act (of the Czech Republic) No. 22/1997 Coll., as amended, and (Czech) government regulations which implement technical directives of the EU. For all the products, the manufacturer, or its authorised representative, has prepared technical documentation, issued an EC certificate of conformity and marked the products with the CE marking.

The CE marking affixed to specified products means that these products conform with technical requirements set forth by relevant legislation which specifies and/or allows the use of the marking; that the assessment of their conformity adhered to the required procedure; that these products were manufactured in accordance with best technical practices with regard to the rules of safety valid in the EU and that they – if installed and maintained correctly and used solely for the purpose for which they were produced – do not pose any danger to the safety of persons, pets and livestock and/or property.

FAST ČR, a.s., issues Certificates of Conformity for products which come into contact with food in accordance with Regulation (EC) No. 1935/2004 of the European Parliament and of the Council on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC, Commission Regulation (EU) No. 10/2011 on plastic materials and articles intended to come into contact with food, Act (of the Czech Republic) No. 258/2000 Coll. on protection of public health, as amended, and Decree of the (Czech) Ministry of Health No. 38/2001 Coll. on hygienic requirements for products intended to come into contact with foodstuffs and food, as amended.

All the documentation, certificates and measurement results from testing institutes, and production and service documentation are kept at the company’s registered office, together with the certificate of conformity.

Petr Uher

Quality Control Manager
